"And your Lord never forgets."

Personal Profile

I am a doctoral student with Prof. Piyush Rai in Dept. Of Computer Science & Engineering at IIT Kanpur. I work in the area of general machine learning, deep learning, computer vision and natural language processing. I am a recipient of the prestigious Visvesvaraya PhD Fellowship. Prior to joining IIT Kanpur, I worked as a Project Associate II on a DST sponsored project funded by C3iHub. I have completed my Master's and Bachelor's from Dept. Of Computer Engineering at AMU.

Education

Indian Institute of Technology Kanpur   *Kanpur, India*
PhD in Computer Science and Engineering   *Jan 2023 - Current*
- Recipient of Visvesvaraya PhD Fellowship

Aligarh Muslim University   *Aligarh, India*
M.Tech in Computer Science and Engineering   *Aug 2019 - Dec 2021*
- Graduated with Distinction
- M.Tech Thesis - "Risk factors classification for Appropriate Screening of Cervical Cancer."

Aligarh Muslim University   *Aligarh, India*
BTech in Computer Engineering   *Aug 2013 - June 2017*
- Graduated First Division

Lucknow Public School   *Lucknow, India*
High School   *Apr 2009 - Apr 2010*
- Passed with Distinction
- Specialised in Physics, Chemistry, and Maths with Computer Science

Work Experience

Institute of Engineering and Technology   *Lucknow, India*
Project Associate II   *Apr 2022 - Dec 2022*
- Designed a visualisation module to perform comparative univariate & bivariate analysis and multivariate correlation between real and synthetic data.
- Implemented state-of-the-art Copula and GAN models for synthetic data generation.
- **Technical Skills:** Python with PyTorch, NumPy, Matplotlib, Seaborn, Pandas, Scikit-learn, Ubuntu Linux, Git, VS Code.
- **Soft Skills:** Time Management, Communication, Presentation skills.

String Social Networks Pvt. Ltd.   *Delhi, India*
Android Developer   *July 2017 - June 2019*
- Developed News based social media app NewsGallery on MVVM pattern.
- **Technical Skills:** Java, Kotlin, Retrofit, LiveData, ViewModel, Push Notifications, Glide, Coroutines, Git, Android Studio.
- **Soft Skills:** Teamwork, Time Management, Communication.

Academic Experience

Indian Institute of Technology Kanpur   *Kanpur, India*
Teaching Assisstant   *Jan 2023 - Apr 2023*
- CS253: Software Development and Operations

Aligarh Muslim University   *Aligarh, India*
Teaching Assisstant   *Aug 2019 - Dec 2019*
- Network and Embedded Systems Lab

University Projects

Hindi to English Machine Translation

Indian Institute of Technology Kanpur

Kanpur, India

Apr 2023

- Developed a Machine translation model based on Transformers to translate English Sentences to Hindi
- Achieved a decent BLEU score of 0.15 for hindi-english translation
- **Technical Skills:** Python with Pytorch, Seaborn, Colab, Kaggle, Overleaf, LaTeX.
- **Soft Skills:** Time Management, Report writing, Logical Thinking.

Sentiment Analysis

Indian Institute of Technology Kanpur

Kanpur, India

Apr 2023

- Designed and implemented various sentiment analysis models using FastText, RNNs and LSTM.
- **Technical Skills:** Python with Pytorch, Seaborn, Colab, Overleaf, LaTeX.
- **Soft Skills:** Time Management, Report writing, Logical Thinking.

Plant Leaves Disease Detection and Classification

Indian Institute of Technology Kanpur

Kanpur, India

Mar 2023 - Apr 2023

- Used State of the art Image classification models Resnet, EfficientNet, MobileNetV3 for plant disease detection.
- Created a custom dataset of healthy and unhealthy plant leaves in real life conditions with 8 species and 16 classes.
- Used Visual AI methods Grad-CAM, Grad-CAM++, ScoreCam to explain model performance
- **Technical Skills:** Python with Pytorch, Seaborn, Colab, Kaggle, Overleaf, LaTeX.
- **Soft Skills:** Report writing, Teamwork, Presentation skills,

Skills

Programming	Python (Pandas, PyTorch, NumPy, Scikit-learn. etc.), Java, C/C++, Kotlin, SQL.
Miscellaneous	Linux, LaTeX(Overleaf), Android Studio, VS Code, Microsoft Office, Firebase, Git.
Soft Skills	Time Management, Teamwork, Problem-solving, Logical Thinking, Presentation.

Achievements

2023	**Recipient**, Visvesvaraya PhD Fellowship	*India*
2022	**(196/300) JRF**, UGC NET	*India*
2020	**PGT**, HTET CS	*India*
2018	**Rank 28**, JEST (IMSc)	*India*
2017	**Rank 32**, JEST (IMSc)	*India*
2017	**98 percentile**, GATE CSE	*India*

Interests

Photography	Though I do not have a professional camera, some of my decent snaps can be found on Instagram here.
Altruism	I like contributing in different venues of life. One such example is being a Google Local Guide (Level 9).
Badminton	My interest in this sport began during my first year in bachelors. Since then, I have learned a lot.
